CENTER MONTESSORI SCHOOL MAIN CAMPUS

Where Teachers Love Teaching and Children Love Learning Since 1976

We are excited to offer Elementary 1 Summer Camp this summer. We have planned interesting, fun, and rewarding activities the campers will enjoy featuring weekly theme-based units.

June 3-7 Cooking: No lunch needed this week! The children together will be cooking their own. They will prepare healthy, delicious foods to enjoy at camp and will play games outside.

June 10-14 Science Week: Your child will have the opportunity to become a Mad Scientist complete with fizzing and bubbling chemical reactions! Learning and experimenting are fun!

June 17-21 Spanish: This week will be filled with fun activities as we learn about Latin cultures, and practice and learn conversational Spanish. The children will explore cooking Spanish and Latin foods and work on art activities inspired by Spanish and Latin artists.

June 24-28 Water Week: Come dressed each day in your bathing suit for a week filled with water fun. Please send water shoes, sunscreen, a towel and a change of clothes.

July 8-12 Art Adventure: Children love art! This week will teach your child new art skills and produce artwork you will want to display at home.

July 15-19 Art Adventure: Children love art! This week will teach your child new art skills and produce artwork you will want to display at home.
